

PUBLIC LEDGER

Mrs. Slack of Sharpsburg is visiting her sister, Mrs. B. E. Clift of this city.

Mr. F. H. Trissell of Tollesboro was a pleasant caller on THE LEDGER yesterday.

Smalpox has broken out at two towns on the Norfolk and Western road in West Virginia.

A case of smallpox has developed at Kentucky Union Junction, in Clark county, having been taken there from Ashland.

The Fiscal Court of Bath county held a session Thursday and fixed the tax rate for county purposes at 50 cents on the \$100 and for state at 42 cents.

A union meeting of the Ladies' Missionary Societies of Ebenezer Presbyterian, South, will be held at the Central Presbyterian Church of this city Friday, April 12th.

The Junior Endeavor Society of the Central Presbyterian Church gave a social last evening in the parlor of the church, which was a grand success. This branch was organized about two months ago with a membership of thirty-two, and now there are forty little workers in the society.

Boys, Here's Your Chance.
Hon. Samuel J. Pugh, M. C., has been notified of a cadetship vacancy from this Congressional District, at the United States Military Academy, and has been requested to nominate a candidate and alternate to report at West Point for examination on June 13th, 1895.

There are several applicants. Mr. Pugh thinks it will be just and fair to all to have the examinations determined by a properly conducted, competitive examination. All those interested in the same will report at Vanceburg by 9 o'clock Wednesday morning, June 5th, 1895.

The appointee must be between 17 and 23 years of age, and must in addition to a rigid physical examination, be found proficient in reading, writing, orthography, arithmetic, grammar, geography and history.

ANOTHER DEATH.

Well Known Tobacco Buyer Passes Away Yesterday.

Maurice Malone, aged about 30 years, died yesterday afternoon at his home at Summit Station at 3 o'clock, of consumption.

He had been in failing health for some time, and some time ago went South in hopes of benefiting his health, and on Wednesday he returned home.

Mr. Malone was one of Mason county's most prosperous young farmers and tobacco buyers, having raised tobacco in this city in his home in the Fifth Ward two years ago.

His was the ninth death in his family in about seven years. Mr. Malone was a member of the A. O. H. of this city.

The funeral will occur Monday morning at 9 o'clock at St. Patrick's Church in this city, the interment being at Washington Cemetery.

A VAIN little bird,
Was earnestly bent:
"To wit! to wit! whoo!"
A tall, gaunt young girl
With a pointed whirr.
Her purse wide open threw.

"With a title, rare,
And a coat threadbare,
I come, bow! to whoo!"
She was not a soul to count
For a small amount
For a pretty million or two.
—Chesterfield Poole Deader.

MAYSVILLE WEATHER.

What We May Expect for the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

Westerly—Fair;
Blue—Rain or Snow;
With Black Above—Twilly Warmer

If Black's Beneath—Golden'll be;
Unless Black's shown—no change we're in.

The above forecasts are made for a period of thirty-six hours, ending at 8 o'clock tomorrow evening.

We respectfully invite the comparison of THE LEDGER with any daily newspaper in all the country. If any one can find a daily paper printed in the Ninth Congressional District that has

A Larger Circulation, or More Original Reporting Matter,

we will take pleasure in presenting him with a copy of THE LEDGER. #2 And this paper is furnished at same price as inferior ones.

Up to last evening there had been 71 professed conversions and 11 additions to the M. E. Church as the result of the recent meeting in progress there.

The members of the A. O. H. will meet in their Hall this evening at 7:30 o'clock for the purpose of making the necessary arrangements to attend the funeral of Brother Maurice Malone.

W. A. COLE, President.

Thomas F. son of Mr. and Mrs. James Wallace, arrived this morning to spend the summer with us. It has been your decision as to what business he will go into, but it is thought he will "raise negroes" for awhile. Jim may recover.

Mr. Charles H. Kinsaul, the well known newspaper correspondent, who has been in the Revenue service in this state for the past year or so, has engaged as the Kentucky "Free Lance" state correspondent for The Cincinnati Commercial Gazette.

Ladies, Today

You will be afforded opportunity to see the Correct Styles and the handsomest line of Millinery ever shown in Maysville.

These goods were selected in person at direct importing houses in New York.

Mrs. L. V. DAVIS,
Zwergart Block.

1st Store closes at 6 o'clock.

The books of the LimeStone Building Association are now open for subscriptions to the Twelfth Series of stock. If you want to buy a home and stop paying rent, or make a safe and profitable investment, call on W. B. Mathews President, C. D. Newell Attorney, James Threlkeld Treasurer, H. C. Sharp Secretary, or any of the Directors.

Free turnpikes are not in it when compared with some of our business men hustling for business. The liberality of Messrs. John T. Martin & Co. caps the climax. They are for the present giving with each suit sold by them for cash, to the amount of \$5 or upward, a storm-winder and setter watch. Their goods are known as the best for the money, and no need to comment.

DIED AT MAYSLICK.

Mrs. Jonas Myall Summoned to Her Long Rest.

The announcement of the death of Mrs. Jonas Myall came too late for insertion in yesterday's EDITION.

Her death had been previously mentioned, but her death was no less a shock to those near and dear.

Mrs. Myall was a daughter of the late Bellville Moses of Helena, and was aged about 55. She was a sister of Mrs. Anna Threlkeld of this city, Mrs. John M. Walton of Gartman and Mr. E. K. Morris of St. Louis. Her husband survives.

The Pittsburgh and Cincinnati Packet Company has chartered the steamer Carrollton to take the place of the ill-fated Iron Queen. The Carrollton leaves on her initial trip next Monday. Bills have been sent out to build two new packets immediately. They will be built on the pattern of the Iron Queen and very fast.

The machinery of the burned boat will probably be recovered.

HURRAH

AGLORIOUS DAY FOR OLD MASON!

FREE TURNPIKES NOW AN ASSURED FACT!

The Roll of Honor:
J. BRANDEL, THOM. FORMAN,
J. MILLER, W. H. HOOK,
JUDGE M. C. HUTCHINS.
"The Other Fellows Ain't In It!"

Good morning!

And congratulations.

Fellow citizens of Mason county!

THE LEDGER is feeling unusually well today, many thanks to the public spirited citizens who rallied at the Courthouse in March last, and whose wishes were so beautifully rounded out by a patriotic majority of the Fiscal Court yesterday afternoon!

It has been a long, a steady and a sturdy fight, but the clouds now show the "silver lining" and the cause of free turnpikes is in the ascendant.

THE LEDGER has been both consistent and persistent in its warfare against the onerous toll system, and even the enemies of its position have not been able to accuse it of blowing hot one day and cold the next.

In its efforts to rid the people of the great burden of tolls, it has had the active moral support of many of the most influential taxpayers of the county, and it was this class that composed the Court-house meetings and formulated the request submitted yesterday to the Fiscal Court.

To the credit of that Court, a majority of its members acceded to the wishes of the people—action upon the right principle that the Court was the servant and not the master.

While the minutes of the Fiscal Court, printed elsewhere, give the proceeding in detail, it is worth while to repeat that the public is indebted to Squires John T. Branel, Jacob Miller, Thomas Forman, W. H. Hook and Judge M. C. Hutchins for the passage of the resolution that will secure free turnpikes for Mason county!

All honor to them!

The other fellows ain't in it!

In 1890 William McKinley our learned

THE SILVER PROBLEM.

Commercial Gazette.

Former Anderson has two thousand
bushels of wheat.

Mr. Jones has a thousand dollars
worth of silver bullion.

Mr. Anderson's wheat is worth in the
market \$1,000.

So is Mr. Jones's silver bullion.

Mr. Jones goes to Philadelphia, takes
his silver to the Mint and has it coined
into two thousand fine, five-penny silver
bars.

When Farmer Anderson brings
along his thousand dollars worth of
wheat, Mr. Jones buys it, paying him \$1,
000—and he has \$1,000 left with which
to buy the wheat of the next farmer that
comes along.

This is free coinage. Some people
are sure that all the farmers in the country
are shouting for it.

We should see a good many stragglers
in this country if the silver people
should have their way.

EASTER NUMBER!

AN OPPORTUNITY FOR LEGITIMATE ADVERTISING.

THE LEDGER will, on Saturday, April
13th, issue a special "EASTER NUMBER."

It will consist of 8 pages, with a page
devoted to Easter, embracing a story by
Colonel Will L. Vischer, formerly of the
Kentucky press and well known through
our Mason and adjoining counties.

This edition will be a trade catcher,
and advertisers may depend upon getting
what they pay for.

We will see if some of our merchants

home enterprise as they are to jump at
very "fake" that comes along.
